There are important distinctions between what we call “freeware” and what is known as “free software”, “free and open source software” or “free, libre and open source software”.. Best Music Program For MacFree Music Studio Program DownloadBest Music Program For MacWho doesn't love free software? Still, you might be unaware that “free” doesn't always mean free in the sense you might expect.

The main difference is in the definition of the word “free”, which has multiple meanings.
